

Access jobs and internships that are not available anywhere else except through Handshake, the #1 job search platform for college students.

APPLY WHERE YOU HAVE THE ADVANTAGE.

Handshake is the only place that connects you, your school and employers together. You'll see jobs and internships posted specifically for students, and employers actively recruiting from your school.

WHY CREATE A HANDSHAKE ACCOUNT IF YOU ALREADY HAVE LINKEDIN?

Handshake has the most opportunities for students and new college grads of any job platform, and is the only one that lets employers recruit at your school.

All the jobs are posted just for students, which means you aren't competing against professionals with 5+ years of experience. No experience is required.
